We Couldn't Improve the Corsets So we Perfected the Clasp!

NOT in twenty-five years has there been any noticeable change or improvement in corset clasps UNTIL we perfected the now famous O-I-C Non Pinching Clasp. With this new clasp the Comfort of the fashionable

Bon Ton CORSETS

whether front lace or back lace, is greatly enhanced and the Service improved, as this clever clasp holds the corset flat at front thus equalizing the strain, and resisting wear.

Ask YOUR DEALER for BON TON corsets having the O-I-C Non-Pinching clasp—why not have and wear the BEST when they cost no more? Price \$3.50 to \$15.

Look for this Trade Mark —

It signifies that the O-I-C Clasp

Does not Pinch Does not Break Does not Twist

Does not Squeak And always stays absolutely Flat

THINK IT OVER

The installation of a Hunter Garnett or Felting Machine. This machine is the latest model and the best of its kind. Consequently we are manufacturing FELT of the very highest quality

Where Efficiency Counts

With the installation of this felting machine we can now renovate your mattress more satisfactorily than ever. The Felt is placed in the ticking in layers; and as long as you use it, it is comfortable, and retains its shape and elasticity. It makes the most comfortable and durable mattress known. We take the cotton from your old mattress and make it into Felt. A felt mattress is economical at any price—because the first cost is the last cost. Experience has demonstrated conclusively that a Felt mattress will not lump. Telephone us and let us tell you more about this machine. We guarantee satisfaction.

Special Prices On Renovating

Woven Tick Mattress, Renovated, Felted, former price \$8.50, special price	\$6.50
Woven Tick Mattress, Renovated, Not Felted, former price \$7.50, special price	\$5.50

A SAVING OF \$2.00 CAN NOW BE MADE

Mattresses and Pillows

Renovated and made over as good as new. We call for and deliver all orders promptly and guarantee all work. Just phone.

Our Southern Beauty

A fifty-pound solid Felt Mattress is the standard of perfection. The felt is placed in our mattresses in layers of even thickness and as long as you use it, it is durable and comfortable. It retains its shape and elasticity indefinitely. In maintaining a high standard both the quality of cotton (raw material) and the manufactured product (felt) have played an essential part. Every step in the progress of our

"Southern Beauty" Felt Mattress

must be made sure. And we wish to emphasize that the quality of our product will be constantly maintained. The installation of this Felting Machine will prove an important contributing factor to this end.
